Lilly Cares Foundation Patient Assistance Program For Oncology Medications CERTIFICATION OF BRAND DRUG USAGE

The Lilly Cares Foundation, Inc., a private operating foundation ("Lilly Cares"), provides Lilly Oncology medications free of charge to qualified patients. Medication is **NOT** provided under this Program: (i) when the patient has received non-Lilly formulations of Lilly brand medications (generic medications rated bioequivalent to the brand); nor (ii) when a patient does not meet the Program's eligibility requirements.

If requesting Lilly brand medication for your patient under the Program, please complete the certification below and return it with the Program application or renewal form.

The Program reserves the right to deny provision of medication until an accurate and complete certification is received from the physician.

CERTIFICATION

I certify that _____ (insert patient name) has received or will receive Gemzar[®] (gemcitabine for injection), a Lilly brand medication, for treatments where medication is requested through the Program.

I represent that the patient information I have provided is consistent with applicable privacy laws and regulations, and I understand that Lilly Cares and/or its agents are relying on this representation.
