

# Your Personal Lilly PatientOne Summary\*

Use this sheet to talk about your options with your healthcare provider and apply for Lilly PatientOne.

**You have been prescribed:** GEMZAR® (gemcitabine for injection)

**Your insurance status is:** Government health insurance

## **Lilly PatientOne offers you these services if eligible:**

- Collects information on behalf of the Lilly Cares Foundation, an independent nonprofit organization that provides GEMZAR at no cost if you qualify
- Referral to charitable foundations that may be able to help

## **If you have government health insurance, your doctor's office will need:**

- Signed Lilly PatientOne application and signed permission to release your health information to Lilly PatientOne so we can verify your coverage
- Social Security number
- Copies of all insurance cards (front and back)
- Medicare policy and Part D drug plan information
- Veterans, Medicaid, or other insurance (insurance name, telephone number, and policy ID number)
- Secondary insurance (insurance name, telephone number, and policy ID number)
- Monthly gross household income (salary, pension, Social Security, disability, alimony, child support, interest/dividends, rental property, etc)
- Proof of income (examples include a copy of W-2, copy of prior year's tax return, copy of most recent pay stub, copy of Social Security check or award letter, or zero income letter)

## **Once your Lilly PatientOne application is submitted, if you are approved, Lilly PatientOne will work with your doctor's office to:**

- Screen if you are eligible to receive GEMZAR at no cost through the Lilly Cares Foundation if your claim is denied after all appeals have been exhausted
- Connect you with charitable foundations that may be able to help with the cost of your medication

\* The options shown here are not all of the services offered by Lilly PatientOne. This list reflects your answers to the previous questions.
